

**WE NOT ONLY MAKE IT ALL.
WE MAKE IT ALL WORK TOGETHER.**

Whether you need the smallest component or an entire integrated system, L-3 Marine & Power Systems is your answer. Our advanced core in-house technologies allow us to provide turnkey solutions with full integration, interoperability and your bottom line in mind. In fact, only L-3 has the proven experience to adapt our commercial marine technology to meet the U.S. Navy's ruggedized requirements, combining innovation and affordability. From pioneering Mil-spec qualified systems to best-in-class commercial solutions, L-3 provides it all.

Visit us at the Navy League Sea-Air-Space Exposition in Booth #1237 or online at L-3com.com/MPS.
